How to fold your zine

9	5	4	3
back cover	front cover	1	2

(top row numbers shown upside down; "OPENING" marked above front cover)
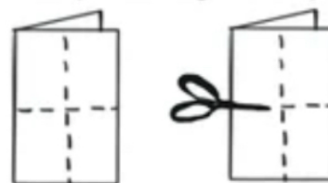

Fold paper in half three times.

1   2   3
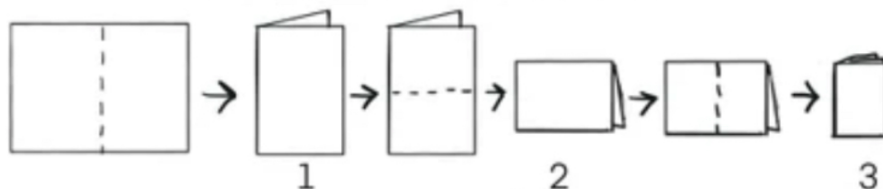

Unfold the paper to show 8 rectangles.
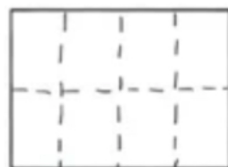

Refold in half. At folded edge, cut halfway through the paper.

Unfold the page and refold. Press edges inward to open the slit.

Slit

Fold all pages over in the same direction and congratulations!!

A Zine is Born!
